**Re: Docket 99P-0033/CP 1**

Dear Ms. Henney:

I am writing you this letter to strongly urge you to act on the Humane Farming Associations petition to put an end to the practice of feeding dead pigs, horses, and other animals to other farm animals. Cows are not meat eaters by nature and they shouldn't be forced to eat dead animals.

Please take action to insure that this does not continue to happen in this country.

Thank you.

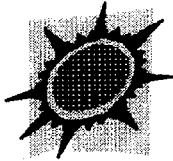

Cordially,

Karina Tromberg
